Dear Mr. Tasca,

All good greetings to you from New York!

It was nice talking to you the other day.

Following up on our telephonic conversation, we are pleased to report that our representatives in India have had occasion to meet with Sister Susan Kuruvilla, Foundress and Superior of the Mar Gregorios Ashram (St. Gregory's Charity Care Center) in Kerala, India. Her charitable endeavors do fall within the purview of our own apostolic and humanitarian outreach in the near east.

We sincerely acknowledge her work on behalf of God's poor ones. Although the demands of our mandated projects in that area do strain our available resources, we stand ready to assist as circumstances may allow.

We wish you every blessing and success in the fundraising which you have undertaken on her behalf.
